presents

A Music Workshop with **Jay Ungar and Molly Mason**

Saturday, April 17th, 2010
At 3:00 PM

At the

Universalist Unitarian Church of Haverhill
16 Ashland Street
Haverhill, MA 01830

Jay & Molly will offer a workshop for melody and accompaniment instruments, using fiddle and guitar to demonstrate techniques for each. All instruments that fit within the folk genre will be accommodated. They'll demo the tunes for everyone, then split into two groups with Jay taking the melody players and Molly working with the accompanists. Different levels can be accommodated with the more advanced melody players learning a countermelody or harmony part and the more advanced accompanists learning different chord voicings and additional bass runs. Repertoire may include a classic fiddle tune and waltz, or Jay & Molly originals such as *The Lovers' Waltz* and *The Wizard's Walk*.

Price is \$45, and includes the workshop and one ticket to that evening's concert with Jay and Molly at the New Moon Coffeehouse. The 2 hour workshop starts at 3PM, followed by the concert at 8PM.

To reserve your place for this workshop, send a check for \$45 (*per attendee*) before April 3rd, 2010 and payable to:
